BIG GOLF TOURNAMENTS AT W. P. COUNTRY CLUB

MISS EMMA MYERS WINS COURT GOLF TOURNAMENT IN CLOSE CONTEST

16 ENTRIES IN MEN'S HANDICAP TOURNAMENT

Seventeen Women Have Qualified for the Women's Handicap Tournament Starting the 26th

Monday, Feb. 12th, was the first day of the three big golf tournaments of the season which are being played at the Winter Park Country Club, and which will not be completed until the first week in next month. These include the Court golf, the Men's Handicap, and the Women's Handicap tournaments, all of which are the object of great interest and enthusiasm by the golf players in Winter Park.

Twenty-four men and sixteen women entered the Court Golf Tournament. The playing started on Monday of last week and the semi-finals began on Friday. On Saturday afternoon a large gathering of club members and their friends witnessed the finals. The weather was fine, and the audience seated on the lawn by the attractive club house presented a picturesque scene, the bright colors of the dresses and gray parasols, lending a charming touch to the setting.

Mrs. J. K. Ilsley, of "Virginia Inn," and Miss Emma Myers, of "The Seminole," played a closely contested match which was finally won by Miss Myers, who thus won the women's prize. Mr. A. D. Baker and Mr. J. W. Herbert, were matched against each other for the men's prize and this was won by Mr. Baker. Miss Myers and Mr. Baker then played off for a third, and Miss Myers won.

After the finals the Club was well filled with those who stayed for tea. Mrs. Charles H. Morse poured tea, assisted by Miss Dorothea Chess.

The Men's Handicap Golf Tournament, eighteen holes, on the long course, began on Monday, February 19th, with sixteen entering the tournament. The finals will begin on Friday. Those in the tournament are: Messrs. E. F. Cooley, A. J. Cooley, J. F. Dargan, B. Preston, H. D. Wintinger, E. M. Chapman, W. H. Burd, E. A. Hopkins, J. W. Herbert, A. D. Baker, J. D. Merriman, B. M. Hildreth, J. H. Flood, E. F. Appleby, J. K. Ilsley, and S. E. Matter. On Wednesday the contest had narrowed down to four players: J. F. Dargan, W. H. Bard, A. D. Baker, and J. K. Ilsley.

The Women's Handicap Tournament will start on February 26th. Eighteen holes will be played on the Short Course. On the entry card are the names of Mrs. Walter Chess, Mrs. John H. Flood, Mrs. Westinghouse, Miss Dorothea Chess, Mrs. E. A. Hopkins, Mrs. C. H. Morse, Jr., Miss Mary Chess, Miss Edith Foley, Miss Emma L. Myers, Mrs. A. D. Baker, Mrs. E. H. Rathburn, Miss Martha Hopkins, Miss Pinne, Mrs. R. Deane, Miss E. W. Towner, Mrs. J. K. Ilsley, Mrs. J. Mitchell, Jr.

The prizes in the Men's tournament are two silver cups, one for the winner and one for the Runner Up, and are presented by Mr. Charles H. Morse, President of the Club. The prizes in the Court Golf Tournament were presented by Miss Martha Hopkins. The prizes in the Women's Handicap Tournament will be presented by Mr. E. W. Packard, Chairman of the Greens Committee.

The weather has been just right ever since the tournaments began, and the large number of contestants have greatly enjoyed the game, a game which is made doubly enjoyable, by the excellent condition of one of Florida's greatest golf courses.

Subject: "What Does It Mean To Become a Christian?"

Rev. J. S. McLeMore, of Bradenton, Fla., will begin ten days or two weeks of Evangelistic Meetings with this Church Sunday, March 4th. Mr. McLeMore is spoken of as a preacher of unusual acceptability and power, and the public are cordially invited to attend these services.

ROLLINS TAKES PART IN EDUCATIONAL DAY

DEAN ENYART SUSPENDS WORK FOR THE DAY, AND THIRTY CARS ENTER PARADE

PUBLIC SCHOOL CHILDREN ARE REPRESENTED

First of Series of Sonata Recitals Will Be Given in Knowles Hall On March Second

(Special)

In order to co-operate with the Board of Managers of the Orlando Mid-Winter Fair, which opened in that city Tuesday morning, in making Educational Day, February 23rd, one of the most attractive features of the entire carnival, Dean Enyart suspended college work for the day. The Rollins delegation of 30 automobiles which participated in the "Educational Parade" through Orlando and the Fair Grounds, was formed in front of Carnegie Hall Friday morning at nine o'clock and joined the procession which included representatives from all the public schools as well as the Cathedral School in Orlando. The Rollins cars were appropriately decorated with banners and blankets displaying the Blue and Gold and contributed greatly to the success of the morning.

The remainder of the day was spent viewing the numerous exhibits, not the least of them being one entitled "Rollins College and Winter Park." President Frost, of Berea, speaks Dr. William G. Frost, for many years Professor of Greek and Latin in Oberlin College, and for over twenty-five years President of Berea College, Berea, Ky., was a visitor to the campus Wednesday morning. During chapel exercises at nine o'clock he assisted Dean Enyart in the devotional services and extended to the student body the greetings of Berea.

Other distinguished visitors, who spent several days in Winter Park during the past week were Rev. W. H. Hopkins, Superintendent for the South under the Congregational Home Missionary Society, and Rev. Dr. O'Brien, Secretary of the Educational Society. Dr. O'Brien made a short address in Chapel Sunday morning taking as his subject "A College Man's Purpose."

James M. Gamble, Esq., of Proctor & Gamble Company, of Cincinnati, and Dr. R. T. Stevenson, Vice-President of Ohio Wesleyan University, were the guests of Dean A. D. Enyart, of Rollins, Tuesday. They motored over from Daytona, where they have been spending some time, and were entertained at luncheon by Dean Enyart during their stay in Winter Park. Professor Enyart is an alumnus of Ohio Wesleyan University and formerly studied under Dr. Stevenson.

Miss Elizabeth Buell, of Brooklyn, New York, has enrolled in special work.

James Shepherd, of Dowagiac, Mich., has entered the Academy for the second semester.

The Rollins and Winter Park section of the Elijah Chorus rehearsed with the Orlando company last Monday evening. This was the largest attendance since the rehearsals began and proved most successful.

The first of a series of Sonata Recitals which is scheduled for the second semester's work in the Conservatory will be given in Knowles Hall March 2nd by Dr. Julia C. Allen, violinist, accompanied by Miss Rous, who has recently come to Rollins as the head of the Piano Department, filling the vacancy caused by the illness of Mrs. Helen O'Neal Palmer.

The second of Dr. Henry G. Hanchett's Lecture Recitals will be given Friday, February 23rd, at 8:30 o'clock in Knowles Hall, his subject being "Harmony."

A sight-singing class has recently been begun in the Conservatory under the direction of Miss Frieda Stewert. The Girls' Glee Club, which during the past season's work made an enviable reputation for itself, will open its concert season Saturday evening at the Altamonte Hotel, Altamonte Springs. Preceding this appearance an open rehearsal will be held in Knowles Hall Friday evening.

WOMAN'S CLUB HOLDS ITS ANNUAL MEETING

MRS. MORSE AND MRS. POWERS RE-ELECTED, MRS. GIBBS SUCCEEDS MRS. BLACKMAN

SITE AVAILABLE FOR A CLUB HOME SAYS PRESIDENT

Generous Offer from the President Arouses Great Enthusiasm for the Project

(Special)

The annual meeting of the Woman's Club was held on Friday, Feb. 16th, at the Library. Mrs. Charles H. Morse presided at the meeting. The annual report by the Secretary, Mrs. Hiram Powers, showed the Club to be in a flourishing condition both as to growth in numbers and work done during the past year. "The Post" has followed the work of the Club closely and its readers are already familiar with what it has accomplished. It is now planning a very active campaign, under the leadership of Miss Grace Edwards, to assist the colored people in their problems and is co-operating with the Woman's Civic League in Hannibal Square. It will be remembered that an extra term of school of six weeks was provided last year for the caddies. That is to be repeated this spring. There is also a very definite movement in the Club for a club-house, and Mrs. Morse's announcement that a fine site will be available when plans are completed for maintaining a club home has aroused a great deal of enthusiasm for the project, and the grateful appreciation of every member for their President's generous offer. "Co-operation for a Club Home" is now the slogan of the day in the Woman's Club.

At the annual election, the nominating committee presented the names of the officers of the past year for re-election; Mrs. C. H. Morse, President, Mrs. W. F. Blackman, Vice-President, and Mrs. Hiram Powers, Secretary. Treasurer. Mrs. Blackman announced that she would not be able to serve longer as an officer on account of being away so much of the time. She was strongly urged to reconsider but declined the nomination. A rising vote of thanks was then given to Mrs. Blackman for her great assistance in bringing the Club to its present state of efficiency and regrets were expressed on all sides that she would no longer be on the governing body.

In the election that followed, Mrs. Morse and Mrs. Powers respectively were re-elected president and secretary-treasurer and Mrs. Harley B. Gibbs was elected to the vice-presidency.

RURAL CARRIER EXAMINATION

The United States Civil Service Commission has announced an examination for the County of Orange, Fla., to be held at Orlando, on March 24th, 1917, to fill the position of Rural Carrier at Maitland, and vacancies that may occur later on rural routes from other postoffices in the above-mentioned county. The examination will be open only to male citizens who are actually domiciled in the territory of a post office in the county and who meet the other requirements set forth in Form No. 1977. This form and application blanks may be obtained from the offices mentioned above or from the United States Civil Service Commission at Washington, D. C. Applications should be forwarded to the Commission at Washington at the earliest practicable date.

19-10-12-16

Sunday at both 11 and 7:30 o'clock, and will hold the First Quarterly Conference on Monday night at 7:30. Dr. Martin is well-known in Winter Park, having been pastor of this church for five years. Under his administration the parsonage and church were built.

Bishop John W. Hamilton, Chancellor of the American University, Washington, D. C., gave his famous lecture on "Boston" in the Methodist Church on Thursday evening of last week. He was the guest of Dr. and Mrs. Olin Boggess, and was shown the beauties of Winter Park, Maitland and Orlando by his old friends, Mr. Goodwin, of Ohio, and Mr. Currier, of Nebraska. The Bishop was delighted over the progress and stability of this section of Florida.

WINTER PARK BOYS CLUB MAKING STRIDES

TWENTY-FOUR BOYS HAVE JOINED AND PROSPECTS FOR THE FUTURE ARE ROSY

WARREN INGRAM ELECTED PRESIDENT OF THE CLUB

Planning for a Two Week's Camp Some Time This Summer, for All the Boys

(Special)

The Winter Park Boys Club which was recently organized under the supervision of Mr. Raymond Greene is proving itself quite a success. Already twenty-six enthusiastic boys have joined its ranks making it far the largest club of boys in this section, making it larger by far than the Boy Scouts which was first organized here, because such objections that applied to the former have been eliminated from the latter. However, most of the criticism on the Boy Scouts is due largely to ignorance of its basic principles for at first sight the actions, dress, etc., of the boys would lead one to think the organization upheld a military aim.

Officers were elected at the recent meeting as follows: President, Warren Ingram; Vice-President, Paul Harrison; Secretary, Theron Clark; Treasurer, Theodore Hakes; Chairman Service Committee, James Foley; Chairman Bible Study Committee, Paul Harrison. At the same meeting a constitution was adopted which provides that "the organization shall not go into debt." The explanation of this is that the treasury must contain enough funds to pay all bills before they have been made. To provide for this the dues have been set at five cents a week. Meetings are being held three nights a week. They are held in the Gymnasium at Rollins College on Mondays and Wednesdays where the boys have been practicing basket-ball and gymnasium work, and on Friday at the Public Library, where the time is allotted either to business, Bible study or a social hour. It is compulsory that a boy must be in attendance at the Friday night session in order that he be allowed the privileges of the Gymnasium. Yet the boys do not feel it as a duty that must be done yes or no and should they, the vision of a stiff game of basket-ball and an invigorating "shower" afterwards would drive all hesitation from their minds.

Many changes in the order of things must be made to suit the conditions, and these changes will be made as soon as possible in order that the machinery of the Club may run as smoothly as it can. Already the time of meeting which is the same for all meetings has been changed from six to six thirty, and the officers are beginning to see the need of a separate night for the younger boys for there is a chance for danger when the larger and smaller boys are mixed in play.

Some of the College boys have been assisting Mr. Greene in coaching the boys in the principles of basket-ball and aiding in whatever way they can. It will not be long before the Club will afford a team. Then as summer comes along and their minds turn to Base Ball, it is the intention of the officers to organize a Base Ball team that will challenge anything their size that will accept.

No doubt the Club will have a camp for a week or two at some one of the many desirable spots around. This will be one of the specially enjoyable features of the summer program.

Taking everything into consideration, the youth of the organization, and all, the whole presents a rosy prospect for the future.

LENTEN SERVICES

The Lenten services at All Saints Church were inaugurated by Ash Wednesday Services on Wednesday morning, at which the Rector, Rev. Godfrey Eitch, was assisted by Dean Pardee, of Chicago. The church was crowded with people. Dean Pardee gave a thoughtful talk on the text, "Go ye apart into a desert place and rest awhile." Special services will be conducted all through the Lenten season.

DR. MCCrackEN AT FORTNIGHTLY CLUB

DISTINGUISHED EDUCATOR TELLS OF HIS "HOBBY"—THE HALL OF FAME

AUDIENCE VOTES ON TABLET INSCRIPTIONS FOR HALL OF FAME

Their Choice Will Have a Determining Influence on Decision for the Tablets

(Special)

Dr. Henry M. McCracken, ex-Chancellor of New York University, and one of the most distinguished educators of modern times, was the speaker at the meeting of the Fortnightly Club on Monday evening, when Mrs. Enow, Mrs. Hakes and Mrs. Barbour acted as hostesses.

A large number of the guests gathered at the Library to hear Dr. McCracken, who was introduced by the President of the Club, Dr. C. E. Coffin, at the close of the roll-call and business meeting. Dr. McCracken spoke on what he termed his "hobby"—the Hall of Fame. This beautiful building overlooking the Harlem River at University Heights in New York, is one of the famous sights of that great city, and was built to contain bronze tablets memorializing the famous men and women of America. The idea of the Hall of Fame was suggested to Dr. McCracken by a similar building seen by him in Germany in which the names of famous German officers were displayed, and when opportunity offered the idea took permanent form in the noble structure now standing on the campus of the University of New York.

The speaker dwelt at some length on the methods of election which are carried out by electors from every state, some of the smaller states forming in groups for this purpose. The election takes place every five years beginning with 1900 and space is provided for tablets up to the year 2000. Dr. McCracken humorously adding "we might be subjugated to the Germans at that time. "One third of the names elected are women, Harriet Beecher Stowe, Maria Mitchell and Frances Willard being among those already enshrined.

In speaking of the electors, Dr. McCracken cited three Presidents as having served in this capacity, Presidents Cleveland, Roosevelt and Wilson, Roosevelt only resigning when called to assume national duties. Eminent jurists, statesmen, scientists, professors, journalists serve as electors to choose names for this American Valhalla. George Washington had an unanimous vote to the Hall of Fame, Lincoln following closely. Edgar Allan Poe, one of our greatest literary geniuses, was the subject of a prolonged argument between Grover Cleveland and Richard Watson Gilder, the distinguished Editor and literary critic, but at the end of three hours, Cleveland remained unconvinced of Poe's eligibility to election. Poe has since won recognition and has his niche in the Hall of Fame. There has been difficulty in the choice from people who deserve to be famous and those who have actually attained fame, and the speaker defined fame as the quality of having won universal recognition in a favorable way.

An interesting feature of the meeting followed, when Dr. McCracken read two quotations, respectfully from the writings of Edgar Allan Poe, Harriet Beecher Stowe and Frances Willard, and asked the audience to vote as to which was most appropriate to inscribe under the bronze tablets which have been put up in their honor. He said the majority vote of those present would have a determining influence on his choice. The quotation from Poe approved by the audience was the well known passage "If I were Israel," and the quotations from the writings from Mrs. Stowe and Miss Willard were biographical and suggestive of their championship of anti-slavery and prohibition.

Dr. McCracken answered a number of questions, and, replying as to the permanent value of this memorial, said his mail is filled with letters of appreciation from those approving this undertaking. There are schools which embody the quotations in their literature course, requiring the students to memorize these sayings of our great men and women. One school in New York has copied the names and quotations in a frieze around the assembly

RE-ELECT OFFICERS OF THE BOARD OF TRADE

MEN WHO HAVE SERVED WELL DURING THE PAST YEAR UNANIMOUSLY ELECTED

M. M. SMITH APPOINTED ON EXECUTIVE COMMITTEE

Large Attendance At Annual Meeting and Two Interesting Addresses By Noted Speakers

(Special)

At one of the largest annual meetings of the Board of Trade ever held in Winter Park, the four officers who have served during the past prosperous and progressive year were unanimously re-elected. These officers are Arthur Schultz, President; H. A. Ward, Vice-President; Ira Rigdon, Secretary; and C. D. Powell, Treasurer. It was the consensus of opinion of all present that in view of the fact that more good work has been accomplished during the past year than probably ever before in the history of the Board, no better move could be made than to re-elect the men who have been largely responsible for the success of the institution.

M. M. Smith was elected to take the place of W. C. Temple, deceased, on the Executive Committee. F. W. Shepherd, a member of this committee, was re-elected.

Two inspiring and interesting addresses were made respectively by A. J. Holworthy, Secretary of the Lakeland Chamber of Commerce, and A. A. Perry, of Boston, Mass., who is a winter visitor in this place. Both men affirmed their belief that Winter Park had a wonderful future in store for it, and according to Mr. Holworthy, would one of these days grow into a pretty good size city. "I know of no place in Florida," said Mr. Holworthy, "that has such remarkable natural advantages as Winter Park. Its possibilities of growth are unsurpassed by any other town in the state."

Reports were read from the various committees, and the officers, these reports covering in detail the activity of the Board of Trade during the past year. The Treasurer's report showed that at this time the Board has a surplus of three hundred dollars in the treasury. This healthy financial condition is indicative of the solidity of its foundation, and of the prosperity of the community which it is serving so well.

hall, and there are many other instances of its educational value to the youth of our country. The speaker went on to say that there is a great lack of reverence in this nation and closed by holding up the Chinese as an example in that they far exceed Americans in veneration and respect to their elders and those to whom courtesy is due.

All present crowded up to greet the distinguished visitor at the close of his interesting discourse, and a social hour followed. Among the guests were Mrs. Henry McCracken, Mrs. F. E. Spooner, Miss Martha Hopkins, Dr. Crosser, Prof. Meyer, Mr. and Mrs. Charles Piffard, Mrs. Ullman, Miss Jacobs, Miss Mary Leonard, Mrs. Leonard, Mrs. Genius and Mrs. James Stokes.

THE WINTER PARK BOOTH AT THE FAIR

The Winter Park booth at the Five-County Fair has been highly complimented by all who have seen it. Winter Park residents should feel proud of the enterprise of the men who have arranged the exhibit. H. E. Cole, of the Winter Park Refrigerating Company and of the Florida Citrajuice Company, and Raymond Greene, of Rollins College, deserve praise for the interest they have taken in the enterprise. The Citrajuice Company has on display an inviting looking array of Florex fruit juice products, and the College is showing many pennants and banners of the institution, and is giving away attractive literature to the many passers-by. This booth is also the headquarters for the Winter Park Post, and hundred copies of the "Special" edition are being handed out from this place each day of the Fair. Mr. Greene had the bright idea of inserting booklets, descriptive in detail of Rollins College, neatly folded in the paper, so that the Post has been going out accompanied by a worthy friend when it left the booth. An added attraction has been supplied to the exhibit by the Citrajuice Company in the serving of iced fruit juices. This has been greatly appreciated by the many who have enjoyed in this way a sample of Florex.

A large banner bearing the words "Winter Park and Rollins College" hangs across the front of the booth, and the top of the enclosure is made into a dome of blue and gold streamers. Along the rear is a neat display of Florex products which are banked in with bright oranges and large grape-fruit.

Thanks are due to Mr. Seth Woodruff, Secretary of the Fair, and Mr. Fred M. Allen, Secretary of the Orlando Board of Trade, for their co-operation in securing for Winter Park this attractive stand in the main building. Thanks are also due to Mr. Ira Rigdon, Secretary of the Winter Park Board of Trade, who has lent valuable assistance in making the preliminary arrangements with the Fair officials. Those assisting at the booth: Mrs. Ira Rigdon, Mrs. H. E. Cole, Miss Florence Meliza and Miss Florence Keezel are also deserving of appreciation, for not only have they given valuable assistance, but they have lent a touch of feminine charm to the occasion, without which it would be lacking in one of the prime requisites of success.

THE TOMOKAN

The Tomokan, the first year book of Rollins College, will be published in April with a circulation of approximately 200. The book will be a beautiful souvenir of college life and a fitting memorial of Rollins. It will be a great work for the good of the college, for it will show people what the students are and are trying to do. It will be widely distributed because of the fact that nearly half of Rollins students come from the North. It will, therefore, not only advertise the college but the town of Winter Park and surrounding section. It will not be a mere transient thing but will be kept for a lifetime by the own-

Social Life in Winter Park

CHOLLY WINTER, Editor

THE "SATURDAY EVENINGS"

Mrs. Nathan Follett entertained for her niece Miss Katharine Jefferies at the "Saturday Evenings" last week. In the absence of Mrs. Follett, Miss Jefferies received with the patronesses. About sixty people attended the dance and several dinners were given prior to it. The young hostess looked very charming in peach colored taffeta, and everyone voted the affair a great success as it was the largest yet given by the "Saturdays." Almost the full quota of members were present and among the guests seen dancing were Mrs. Richard Genius and Mrs. Charles H. Morse, Jr., of Chicago; Mrs. Henry Powell Ramsdell, Miss Mary Powell Ramsdell, of Newburgh-on-Hudson; Miss Eleanor Powers, of Cornwall-on-Hudson; Miss Barbara Sargent of New Haven; Miss Phillis Keller and Miss Mary Chess of Pittsburgh, and the Misses Dorothy and Jane Peters of Garden City, L. I. Also the Messrs. Shofar and Allard Anthony of New York, W. J. Linno Phillip Copenhagen, and Krog of Chicago; Clement Brossier of Orlando, and Mr. and Mrs. Chauncey Webster of Winter Park and Stanley Mansfield, Wright Hilliard and Maynard Froemke of Rollins College. MISS EMILY NICOLL HAS BRIDGE AT THE COUNTRY CLUB

Miss Emily Nicoll planned and carried through a very effective way of raising money for furniture for the new school house by having bridge at the Country Club on Wednesday afternoon. Over a hundred dollars was raised for the school Aid Association. Miss Nicoll was assisted at tea by Mr. and Mrs. Ware and Miss Mary Powell Ramsdell and Miss Ursula Hill. Mrs. C. H. Morse poured and the club house was thronged with guests.

TO MEET MRS. LAWRENCE

Mrs. Donald Camman asked a few people informally to the Club on Tuesday to meet Mrs. Lawrence of New York who is wintering in this place.

AN ORDINANCE

Regulating the Use of Streets and Other Public Places By Vehicles

Be It Ordained By the Town Council of the Town of Winter Park:

Section 1—That every person driving or riding in a vehicle upon the streets of the Town shall observe the following rules of the road which are applicable to all vehicles:

Rule 1—Keep to the right of the street.

Rule 2—Keep to the right in permitting another vehicle to overtake and pass and the overtaking vehicle shall pass to the left of the vehicle overtaken.

Rule 3—In making a turn at a street corner if the turn is to the left, go around the center point of the intersection; if to the right, make the turn near the middle of the cross street.

Section 2—No automobile shall be backed from its parking space on any street without first giving at least one distinct signal with a horn or other warning apparatus.

Section 3—No vehicle shall in any part of the city follow the fire engines or hose carriages or other fire apparatus when they are responding to an alarm or returning therefrom at a closer distance than one hundred (100) yards.

Section 4—No vehicle shall use or be driven upon any sidewalk.

Section 5—No person under fourteen years of age shall be permitted to operate or run an automobile within the city.

Section 6—Every motor vehicle shall be equipped with a muffler or silencer and no cutout or similar apparatus shall be used.

Section 7—All persons shall be required to have at least one light conspicuously displayed on the front of every motor vehicle and every bicycle when running after dark and every motor vehicle shall be equipped with a horn or other warning apparatus.

Section 8—All persons driving or riding motor vehicles shall make warning signals when turning a corner or passing another vehicle from the rear.

Section 9—No automobile, motorcycle or other motor vehicle shall be run within the limits of the Town at a speed exceeding twenty (20) miles per hour, and within the fire limits and streets bounding said fire limits, the rate of speed of such motorcycle or other motor vehicle shall not exceed fifteen (15) miles per hour.

Section 10—No person shall operate any automobile, motorcycle or other motor vehicle in a reckless or careless manner at a rate of speed greater than is proper and reasonable, having due regard for the traffic and use of the highway or in such manner as to endanger the life or limb of any person or safety of any property and it shall not be necessary to prove that any person or persons have exceeded the speed limits set forth in previous section in order to convict such person or persons of any violation of this section.

Section 11—In all cases where a vehicle is to be loaded or unloaded across a sidewalk and the load moved from or placed in a building abutting such sidewalk, the vehicle may be backed over said sidewalk or a gang board or boards may be placed across such sidewalk from vehicle to building for the purpose of unloading such vehicle except on East Park Avenue. But no such gang board shall be used when there is any other conveniently accessible means of reaching said building with such vehicle. In no case shall such gang board or boards be kept across any sidewalk for a longer period of time than is actually necessary for the loading or unloading of such vehicle and any such gang board or boards used after dark shall be plainly lighted and so placed that they will not be dangerous to pedestrians on such sidewalk.

Section 12—Any person violating any of the provisions of this ordinance shall be punished by imprisonment not exceeding ten (10) days or by a fine not to exceed \$100.00.

Section 13—This ordinance shall take effect on February 23rd, A. D. 1917.

(Seal) Approved Jan. 19, 1917.

ED. F. KEEZEL,
Acting Mayor.

Attest: PERCY DALE, Town Clerk.

AN ORDINANCE

Regulating Railroad Trains and Railroad Cars.

Be It Ordained By the Town Council of the Town of Winter Park:

Section 1. Moving Trains—Whoever not employed upon a railroad or railroad trains gets on and off a railroad engine or cars while the same are in motion shall be fined not more than Five Dollars (\$5.00) or imprisoned not more than twenty-four hours.

Section 2. Speed—Whoever having charge or control of any locomotive or train of cars shall run the same at a greater rate of speed than the rate prescribed by State law, shall be fined not more than Fifty Dollars (\$50.00) or imprisoned not more than twenty (20) days.

Section 3. Notice of Starting—Before any locomotive standing on a track shall be put in motion, the engineer or other person in charge thereof shall give notice of the intention to start by ringing the bell causing it to be rung at least six (6) times.

Section 4. Bell rung at Crossing—Before any locomotive shall cross any of the streets within the town, the engineer or other person in charge thereof shall give, by ringing the bell or causing it to be rung, sufficient notice to insure safety of the public at or on crossings.

Section 5. Backing Trains—When any railway train or locomotive shall back to or across a street crossing, the person in charge thereof shall send a man in advance to warn the public of danger at the crossing and if at night, such employee shall carry a lighted lantern.

Section 6. Stoppage at Crossings—No locomotive, car or train of cars shall be left standing upon or obstruct any street except for such period as is actually necessary for the switching, moving or handling of such locomotive, car or train of cars; and no locomotive, car or train of cars shall in any case obstruct any street or crossing for a longer time than five minutes.

For purposes of this section the

Style Week

For the Special benefit of many out-of-town customers who will be here for the Big Fair we are making this week of particular interest to them. We place on display fabrics, articles and manufactured garments that have already received the Sign Manual of Social approval and are therefore to be considered the most fashionable for the coming season.

THE NEW MILLINERY

Illustrates many styles. Small and medium sized hats are much to the fore; but there is a strong indication that larger hats will come into favor later on. High military effects are good—peaked brims, smooth or rippled and the high Russian type are exceedingly fetching.

NEW BLOUSES—EXPRESSIVE OF THE NEW MODE

Picture to yourself a blouse oforgette Crepe that should really be marked \$7.50, in such beautiful shades as Nile, Gold, Maize, Bisque, Apricot, Tea, Rose, Orchid and White, with box plaited front and vest, collar and cuffs of satin, that we offer at

THE NEW LINGERIE

Novelties in underwear are not wanting, in a season in which novelty is everywhere else apparent and fancy ideas are numerous.

Crepe de Chine Underwear, in pink and flesh color, is one of the most important fancies of the season. Bloomers, Camisoles and Night Gowns are being carried out in this class of fabric, with the envelope chemise as the leading item.
