Woman's Club of Winter Park Club Song

Fifty years ago or more
Women here could see,
What a lovely place on earth
Winter Park might be.
So they set about to build
In this fair country
What today we call "our club"
Bond of unity.

Refrain

Going to the club,
Going to the club,
Think what Winter Park would be,
Without the Woman's Club!

Words by Irma C. Wienand

1945

An Historic Rose from our Garden,
“Mrs B. R. Cant”

A COLLECT FOR CLUB WOMEN

By Mary Stuart

"Keep us from pettiness; let us be large
in thought, in word, in deed.

Let us be done with fault-finding and
leave off self-seeking.

May we put away all pretense and meet
each other face to face without self-pity
and without prejudice.

May we never be hasty in judgement and
always generous.

Teach us to put into action our better
impulses, straightforward and unafraid.

Let us take time for all things; make us
grow calm, serene, gentle.

Grant that we may realize it is the little
things that create differences;
that in the big things of life we are as one.

And may we arrive to touch and to know
the great common heart of us all,
and let us not forget to be kind."

Mrs. Charles H Morse (Helen)
Our Club's First President

Our Club History

On January 13, 1915, Mrs. Charles H Morse (Helen) invited 16 women to her home, "Osceola Lodge", which is still standing on Interlachen Avenue In Winter Park. The Woman's Club of Winter Park was organized at that meeting. Mrs. Morse was elected its first President. She served until 1918 when Mrs. George Dyer (Susan) assumed the Presidency. There were 30 Charter Members. The last survivor was Mrs. Arthur Schultz, who died September 8, 1982.

In the early years, meetings were held in various locations—Hooker Memorial Hall, Town Hall, the Library and the public school. Some department meetings were held in private homes.

Membership grew, and in 1917 a committee chaired by Mrs. Hiram Powers (Rose) was formed. A search for land culminated in a gift by Mr. Charles H Morse (Helen) - five city lots on Interlachen Avenue, between Lyman and Comstock Avenues. This property, extending to Lake Virginia, had been the first tee of the golf course.

World War I delayed construction plans until late in 1919 when Percival Hutton of New York City was hired as the architect to prepare plans for the building. The Club has a complete file of the correspondence between the building committee and the contractor.

The final cost of the building, \$40,000, was raised by generous contributions from members and from fund-raising projects.

By 1927 the building, with furnishings, lawns and gardens, was free and clear of debt.

The first meeting in the new Clubhouse was held January 21, 1921. The auditorium, now known as the Helen Morse Hall, was dedicated in Mrs. Morse's honor at that same meeting. Mrs. Morse died November 29, 1929. Members will find additional information about our history in our Club archives.

Highlights of Our History:

1918 — members sent surgical dressings and 700 lbs. of marmalade to WW1 troops.

1919 - members petitioned state legislature for municipal suffrage for women.

1921 - members petitioned city for sanitary garbage removal. Clubhouse completed

1940's—presented need for city parks and planning board. Membership peaked at 576

1950's—building used by non-profit, cultural and nondenominational groups

1960's & 1970's — Many of the Club's service activities become independent, self-supporting organizations

1980's—Scholarship Program grew with named bequests

1990—House named to National Register of Historic Places

2000's—Scholarship endowment grows significantly. Club continues to support charitable organizations, community rentals increase. Need for house preservation endowment recognized.

2014—The Woman's Club of Winter Park, INC becomes a 501(c)(3) non-profit.

2015-2016—Successful Capital Campaign raised \$300,000, House had significant historical restoration, including new entrance on Lyman Avenue.

Highlights of Our History

2017-2025– The club both survived, literally, and thrived during the COVID epidemic. In 2024, a time capsule with marker was placed in the floor of the Helen Morse Hall of the clubhouse “commemorating perseverance and resilience during challenging times 2020-2021” to be opened in 2070. A City of Winter Park Historical Site marker was place on the property at the corner of Interlachen Avenue and Lyman Avenue.

Our Club's Purpose

- To associate its members and the public in charitable and educational efforts for the citizens of Winter Park and the surrounding areas
- To aid worthy students entering or attending institutions of higher learning
- To preserve the history and the premises of the Woman's Club of Winter Park, INC for future generations of the members and the community

Charitable Giving Program

Members of The Woman's Club are dedicated to helping others in the Central Florida community by donating to several charitable organizations. These funds come from the Club's fundraising projects held throughout the year, the largest of which is the Rummage Sale, held in the Fall. Some of our ladies actively volunteer for the organizations we support and many members provide in-kind donations of food and clothing for those in most need. Among others, we support the Welbourne Nursery and Preschool, The Meadows/Winter Park Housing Authority, Christmas Stockings for the Salvation Army, and Family Promise of Greater Orlando. Members who participate in trimming the Red Pepper Garden Club Tree on Morse Avenue demonstrate our pride in our community.

The Scholarship Program

The purpose of the scholarship program is to provide assistance to deserving high school seniors from Orange and Seminole counties in Florida.

The Scholarship Foundation of the Woman's Club of Winter Park, INC was established in 1938. At that time students were given small loans and they paid members back when they could. The funds were raised from bridge parties, bake sales, flea markets and fashion shows. In 1973, the Scholarship Endowment Fund was established. The Endowment Fund is now funded by generous contributions and bequests from club members as well as donations in memory of club members.

Each year's scholarships are awarded based on scholarship, leadership and financial need. The amount of the awards is based on the number of qualified candidates and the amount available from income from the Endowment Fund,

the Pauline Mossman and the Jenny Fernald Link Funds held at the Central Florida Foundation, contributions specifically designated for the current fiscal year scholars, and a grant from the Elizabeth Morse Genius Foundation.

Miss Helen Steinmetz established one scholarship specifically for a female of Native American heritage. Unlike the other scholarships, applicants for this award may be from anywhere in Florida.

Please join us at a Scholarship Reception held in December to meet our outstanding scholars and their families.
