Dear Ladies of the Woman's Club of Winter Park, Inc.

We have officially begun our 103rd year as the Woman's Club of Winter Park, Fl. Inc. Our Founder's Day dinner on January 18th was most enjoyable and very interesting! I want to thank all of you (committee members and Aycha Williams, our club administrator) for all that each of you did to make the event so successful. It was truly a group effort. Memories and Music was the theme of the evening, and Kim Mould researched our club history to provide historical information from each decade. Members also recalled some of their favorite memories. As Kathy Dunn related these stories to us, Scott Kinkead from the Central Florida Community Arts sang songs to represent each decade.

Since our Founder's Day represents our club history, it was very appropriate to recognize Kim Mould, our historian for her dedication to excellent "Historical Research and Preservation of our History." Kim has been our historian since 2014 and has been a part of creating our beautiful archival space. There have been so many times that she has shared our history with members and our community. And when it was announced that Kim was the winner of the 50/50 drawing, she immediately jumped up and wanted to give the money back to the club. Three hundred dollars was collected for our charitable giving fund. Thank you to Linda Heintz for organizing our 50/50 drawing. What began as sixteen strong women in 1915 has now resulted in a membership of 150. The founding members would be very proud of who we are, what we do and what we represent.

February 17th is our annual Woman's Show which is one of the last major fundraisers for the year. It is also an opportunity to support business women. These women need our encouragement. Come and see the products they represent. Bring family and friends. The show hours are 9:30AM to 3:30PM. Contact Nancy Miles to see how you may provide assistance throughout the day.

The nominating committee is meeting to discuss and submit names for four positions: Recording secretary, program chair, ways and means, and assistant treasurer. The slate will be presented at our March business meeting. Please consider becoming more involved with the Woman's Club and becoming a member of the board. Also, please consider being a chair person for any of the three luncheons and/or Founder's Day next year. Each one of you has so many talents and so much to offer to the entire group. The more involved you become, the more you will receive and appreciate from being a member of such a great group of women.

She is always willing to help and use her talents that help us in so many ways. Natalie has been in Florida most of her life, graduated from FSU and has lived in Winter Park for several years. Need for Valentine Cookies!

Calling all bakers!

Your charitable giving committee would like to give a Valentine's Party to the children of The Meadows, the Winter Park Housing Authority site that we support during the holidays. Approximately 50 children will attend, primarily elementary school age children. If every child received 3-4 cookies, we need 13-17 dozen cookies. We would also provide a drink for each child. And, if we had enough women who would like to volunteer to be at the site for the party, we could supervise a simple art project for the children, where they make a valentine for their mother or other loved one while enjoying their treats. If you can help in baking the cookies, and/or in being involved as a volunteer on Valentine's

Day, February 14, 4-5:30PM, please contact Marilyn Cromer at [407-538-0398](tel:407-538-0398), or email her at gommy47@att.net. Contributions for paper products, art supplies, etc. would also be appreciated. Sign up sheets will be available at meetings through February 8th. Thank you for your consideration!

Woman's Show

Woman's Show will take place here at our club on Saturday, February 17th, 2018.

We have a diverse and versatile group of vendors ranging from sustainable shoes and accessories, to organic soaps and skin products and antiques and bags. We can't wait to see you there!

If you would like to volunteer and help before, during or after the event please contact Nancy Miles. She is looking for volunteers for greeters and for other roles. Nancy can be contacted at nancymiles@gmail.com or 407-701-8370.

Charitable Giving

Thank you, ladies, for your involvement with our holiday projects for the Salvation Army, the Orlando Union Rescue Mission, and for the children of The Meadows, our Winter Park Housing Authority site that we support. We contributed 60 stockings to the Salvation Army, with an in kind value of \$2,100. For the Orlando Union Rescue Mission, members (and significant others) volunteered for three of their projects – at the Thanksgiving Dinner, for a present wrapping party for children who live at the mission, and at the Christmas dinner. At each event, we had 7-8 volunteers. The mission so appreciated our involvement, and our members appreciated the opportunity to serve. A huge thank you to Lucy McDonough, who coordinated our involvement with these events.

Our project for the children of the Meadows was very successful. We bought presents for 11 children and gave a gift certificate of \$50.00 to Walmart for each of their 4 mothers. We spent \$261.08 out of our charitable giving budget to assure each child received the majority of their wish list. We as a club gave gifts for the children that totaled \$1,375.00.

Welbourne Avenue Nursery and Kindergarten

Individual members of the Woman's Club were so generous to Welbourne during the holidays! One member gave a \$1,200 gift that Welbourne will use to replace very old tricycles. Another member gave a \$100 gift to buy diapers (which they constantly need). Another member gave \$100 to be used wherever is it most needed. Welbourne has the capacity to serve 63 children. They currently have 46 children. Most of the children are from low-income families. There are so many ways to support Welbourne, both financially and as a volunteer. Sandra Blossey and I can both vouch for how much fun the baby room is! For more information regarding volunteer possibilities, call their director, Robynn Demar, at 407-644-5885, or talk with Sandra or me.

[Dress for Success](#)

This is a reminder that our Dress for Success drive continues all year. Woman's Club of Winter Park has been a supporter of this organization for many years. For women professionals that are interviewing for jobs, we are looking for used or new tailored clothes and suits. Tailored pants, jackets, tops, shoes and pocket books are all great contributions. No evening dresses or sandals. Please drop items during Thursday meetings with Pat Miller or drop them at our club office with Aycha. Your support is much appreciated!
