Dear Ladies of the Woman's Club of Winter Park, Inc.,

I hope that you are enjoying a peaceful and relaxing summer. Your board and club committees have been meeting on a regular basis to plan a very exciting year for you. You will be very pleased with the programs and activities for the 2018-2019 year.

At the June board meeting finances were discussed in great detail. Club dues will be increased to \$100 per year beginning October 1, 2018. After reviewing other rental facilities in the area, the board approved the motion to raise our club rental rates immediately. Our current rental rate schedule can be found in this Highlight issue.

Last year credit card/bank charges resulted in a \$2,000 loss to our club. Therefore, a 4% service charge will be added to all credit card transactions which includes rentals as well as lunches and dues for members paying by credit.

At the July board meeting our club bylaws were discussed in length. Meredith Murphy has spent many hours working on the changes. A copy of the updated bylaws will soon be available for each of you.

Special thanks to Kim Mould and Aycha Williams for their Facebook project: The Woman's Club Archives Series that highlights club history and past members. Thank you both for your thoughtfulness in promoting the Woman's Club in such a meaningful way!

Since our last meeting in April of 2018 three of our members have passed away:
