Dear Ladies of the Woman's Club of Winter Park, Inc.

The month of December was a musical month with the Young at Heart, followed by our Holiday Luncheon and the Belles and Bows quartet. Both events added so much to enhancing our Christmas spirit. We express our appreciation to Kathy Dunn and her committee for such a wonderful event. And Jean Koivu's table decorations were truly works of art and works of love.

The Scholarship Reception was a perfect evening under the leadership of Barbara Hughes and her committee. It was wonderful to meet many of the scholars that the committee selected: such impressive young people. And it was fun to hear of their college experiences and the paths they hope to follow.

Matthew Kelly, one of the spiritual writers that I like, mentioned in his book Decision Point that "it is through service and sacrifice that we are often led to the beautiful plan God has for our lives." Service through charitable giving projects is one of our club's purposes and many projects were completed during the month of December. Toys and clothing for nine children and gift cards for their mothers living in homes through the Winter Park Housing Authority, stuffed stockings for the Salvation Army, non-perishable food items for the Meadows Food Pantry, gift cards and towels for Family Promise, and time spent with Seniors at the Winter Park Community Center were provided by so many generous members of the Woman's Club. What a beautiful way to provide service for so many people!

As we welcome in the New Year, we look forward to our 104<sup>th</sup> year as a Woman's Club. Our celebration is scheduled for Thursday, January 17, 2019 at 6PM. Deadline for reservations is January 11<sup>th</sup>. The invitation is included in this issue. We are so fortunate to have Chevalier Lovett and the Jones High School Master Choir provide the entertainment for this program. Education is the theme for this year's Founder's Day. The students in the Jones High School Choir are responsible for providing their own funds for their many performances and competitions. This is often a hardship for them. They often need assistance for transportation, food and uniforms. We would like to present a check from the Woman's club to the Jones High School Foundation via Andrea Green, the choir director, at the Founder's Day evening. If you could assist with this, it would be greatly appreciated by so many. You can bring or send your check payable to the Woman's Club of Winter Park, Inc. and designate it to be used for the Jones High School Foundation. Thank you so much for all the many things that you do.

I wish all of you a very healthy and happy New Year!

*Judy Allen*
