Dear Woman's Club members,

The beautiful tabebuia tree is blooming on our grounds along with the last of our collection of camellias - I encourage you to admire it all as you attend some of the fabulous programs coming up this month. A grateful thanks goes to Jackie Byrd Thompson who has done a wonderful job of continuing the love and care of the gardens surrounding our historic clubhouse. Our club is very lucky to have a long tradition of members willing to help keep up our clubhouse and grounds.

Our Valentine's outreach to members who have not been able to get to our programs was really appreciated by longtime friends of the club. Thank you to Chris Bush and her generous crew who assembled 25 boxes bursting with cookies, candies and treats.

More thanks go out to everyone who brought dishes to share for our "Taster's Choice" luncheon. The food was delicious and the music by singer/pianist Brian Hayes was wonderful. The room was bright and colorful. Our thanks go to the hard-working hospitality group and everyone who helped make the tables so appealing.

A special evening event organized with the help of Sue Grafton brought a nice group together to meet and hear from Vickie and John Michael Night. If you have read their book, you have probably encouraged friends to read this inspiring story. For all members who came to hear Vickie, thank you. We hope to make this Community Welcome night an annual event.

Finally, we all know about Aycha's talents and dedication in our club office, but we are now really INSPIRED to take charge of our lives with healthier living. Spring is the perfect time of year to renew our commitment to learning and trying new things, staying connected with friends and doing everything we can to live a peaceful and healthy life.

## March Programs

### **Thursday, March 5th, 2020, 6PM: Irish Dance**

Happy St. Patrick's Day one and all! Celebrate at The Woman's Club of Winter Park with An Evening of Irish Dancing! We welcome the Worley-Hendricks Academy of Irish Dance student dancers for a festive event celebrating all things Irish. The Academy welcomes all students, beginning at age three to dance competitively or simply for the fun and exercise. Dancers at the Academy are at all levels and several will be traveling to Ireland this April to compete in the World Championship!

Classes are taught by Alicia Hendricks Howard, TCRG, Colin Worley, TCRG and Michelle McCormick Vornhagen, Associate Teacher. All of the teachers are members of Comhdhail na Muinteoiri le Rinci Gaelacha Teoranta, otherwise known as An Chomhdhail – The Congress of Irish Dance Teachers. The Academy's primary goal is to instill a love of Irish Dance and all that goes with it to students. Guests are welcome and refreshments are complimentary! So wear your GREEN and be prepared to have a great time with these talented young people. Please let us know if you can join us, the number of guests and if you need a ride! Email our office with your information.

### **Thursday, March 12, 2020, 2:00PM: Genealogy**

Larry Kirkwood is a Senior Judge in the State of Florida. He was originally elected to the Circuit Court after serving two terms in the Florida House of Representatives. Genealogy has been his passion for most of his adulthood and he has spoken all over Florida. Larry has served as President of the local Genealogy Society as well as President of the statewide Genealogy Society.

### **Thursday, March 19, 2020, 11:30 AM: Spring Luncheon and Fashion Show (shopping begins at 11:00 AM)**

Join us for our annual Spring Luncheon and Fashion Show featuring the latest spring styles from Stein Mart modeled by our own club members. In addition, Through the Looking Glass will have a boutique at the club for shopping directly before and after the luncheon and fashion show.

Please make a reservation by contacting the club office or using the reservation form at the end of this newsletter. Be sure and reserve a spot for you and your guests!

### **Thursday, March 27, 2020, 2PM: Audubon Center for Birds of Prey**

Ever wonder about the birds of prey you see? Join Laura Von Mutius, Education Manager at the Audubon Center for Birds of Prey, to learn more about raptors in Central Florida.

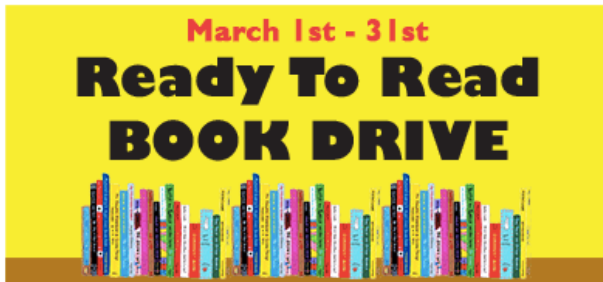

The Audubon Center is a rehabilitation facility for birds of prey. At her talk Laura will tell you about birds of prey, the typical injuries they get, how the Center cares for the raptors and how we all can help birds of prey in the wild. Plus, Laura will be joined by some feathered friends, so you'll get to see some live bird ambassadors up close!
