President's Column

The first Board Meeting of the 2021-22 year was held on Cinco de Mayo Day, giving us a festive flare. All officers and committee chairs were in attendance and focused on the plans for the coming year. Hospitality and Programs Committees presented a survey for the membership and also projected a year-long chart of special events, luncheons and fundraisers. The results are included in this newsletter. There are several openings for event chairmen for you to consider in the Hospitality column.

In the past, the job of arranging the luncheon seatings have been expertly done by Bette Blanchfield and Carol Nawrocki, who have "retired" with our thanks. Thus, we are looking for a couple of ladies to step up. The job entails taking the list of reservation names and who they would like to sit with, and arrange the 8 people for each table. They would also be a part of the Hospitality Committee.

Another proposal was presented by our outgoing president, Nancy, who had been approached by Edwin Williams, a local patron of the arts. He wanted to give the club his collection of framed art work to be sold at an auction thus raising money for our Preservation Fund. A committee was formed and during the month they met, visited the warehouse to review the many pieces and set the date of Tuesday evening, June 29th for the "Art at HeART" event. Posters, tickets and media publicity are in the works as we go to press, plus the art pieces have all been taken from the warehouse and stored in a special place for immediate access.

Since this is the only issue going out until August, there will be weekly email notices sent from our new Administrator, Julie Wadsworth, who has been the new face in the office. We thank retiring Aycha Williams for being such a loyal and inspiring coordinator for our club! Ladies of the Woman's Club of Winter Park, enjoy your summer months, travel, visit friends and family you haven't seen for a year and be safe. The board will continue to meet and prepare a big Welcome Back for you in the Fall.

Natalie Hill, President

Ways & Means Committee Update

Our Rummage Sale, our major yearly fundraiser, is Saturday, September 4th!! The first committee meeting for the Sale will be Thursday, June 17th at 10 am at the Clubhouse. Everyone who has worked at the sale previously, and has knowledge and skills to share, please attend. I need all your amazing thoughts and ideas to help me, as this is my first time putting together such a daunting event, and your experience is the key to making it successful. I am looking for volunteers to be in charge of specific areas of sales, including

those who have headed up areas before and are willing to do it again. We will have the prior Sunday through Friday to bring in, separate, price and stage. Every Club Member, please start putting aside donatable items – and ask your friends, neighbors and relatives to help, too! We have just been offered some nice chairs, a small fridge and a small freezer from a bank. **Who has room to store some of these or other donations prior to the sale? This is a big need.** Please let me know if you can help store and/or will be attending the meeting. You can contact me at: zsuzs1@earthlink.net or 407 690-0086. Thanks in advance!

Ways & Means Chair**

Hospitality Committee Highlights

Volunteers Needed

1. Listed below are the “Special Events” for our 2021 -2022 club year. Each of these events is organized by a Chair(s) and a committee of volunteers. While most of the events have Chairs identified, we still need Chairs for the Tree in the Park, Christmas Parade, Fashion Show Luncheon (Luncheon portion only), and the Bingo event. Chairing these Special Events is an opportunity to contribute your creative talents to the club by organizing an event with a group of your fellow club members. Please email Julie Wadsworth if you would like to volunteer as the Chair(s) of the remaining open events.
2. As Natalie mentioned, our seating assignment coordinators, Bette Blanchfield and Carol Nawrocki, are retiring from this volunteer position. The seating assignment coordinators will work with Julie Wadsworth on reservations for our luncheons and Founder’s Day Dinner and will assign seating along with name tags and signage. This position seems to work best with two members working together. Please email Julie Wadsworth if you would like to volunteer as the coordinators.
