President's Column

Summer is upon us and with a break from our weekly gatherings. Time to spend traveling, catching up with families, and relaxing in the air-conditioning of our homes. The past year has been put in the history books (archives) and with it we have good memories of the many interesting and educational programs we had. Looking forward, there is more to come in the fall and hopefully you can share your ideas in the survey we will be sending out. Your input is most helpful.

Our Board will be meeting monthly to set the stage for the year ahead. The Fall Rummage Sale, over Labor Day Weekend, is a major fund raiser and everyone can participate, either by donating items for sale, helping during the week before to set up, working during the sale or by coming and "shopping" for those bargains.

During the middle of September there is the Annual Membership Tea to welcome new ladies to our club and share the many projects and committees we have. Photos of the new members are taken and the Membership Directory begins to be put together for the 22-23 book. Finally, we get to October and the weekly meetings and monthly luncheons get underway. We will certainly be ready to get back in the swing of things following the 4-month vacation time.

During the summer, our Office is open and rentals are being booked for parties, conferences, weddings, birthdays, etc. and we will continue to have our Monday memos sent out to keep everyone notified of what is "happening" at the club. Have a wonderful summer, rest up, and we look forward to seeing you at the next event.

Natalie Hill, President

Announcements & Updates

Charitable Giving

The first Charitable Giving project of the 2022-23 club year will be the “Back to School” donations for the children at The Meadows/Winter Park Housing Authority. The list of needed school supplies, including backpacks, and the available dates and times for drop off at the clubhouse will be included in one of the “This Week at the Woman’s Club” emails in June.

Our thanks to Janet Barry, past Charitable Giving Chair, for a very thorough transition and for recruiting many members of her committee to continue in the 2022-23 year. We plan to have our first committee meeting sometime this summer. We welcome both current and new committee members. Please email us if you are interested in being a member of the Charitable Giving Committee supporting the worthy charitable causes sponsored by the WCWP.

Scholarship

The Scholarship Committee is thrilled to share that we will be awarding \$54,300.00 to 30 very worthy students. We have 6 renewals and 24 new applicants. The Committee is collecting addresses and student IDs so we can mail their scholarship checks in June. At the time of this writing, we have all but 5.

Thank you to all the members on the committee! Our job is a tough one but it is so rewarding!

Gardening offers something for everyone! Join us for conversation, fresh air and a bit of "green thumb therapy". Please mark your calendars and set your reminders for these dates to garden at The Woman's Club of Winter Park gardens: Friday, June 17th, Friday, June 24th and in July Friday the 8th and Friday July 22nd. Please let me know if you have any questions, I'm only a phone call away. Looking forward to seeing you in the Gardens.

Ways and Means

Hot off the press!!! **This year's Rummage Sale will be Saturday, September 3rd!** Our GOAL is to HIT IT OUT OF THE PARK, using a sports theme – save those favorite team jerseys, borrow one, or pick up an inexpensive one at Walmart to wear at the sale. There is no decision yet on extending it to the following Sunday afternoon, but I hope we can. The preceding Sunday through Friday will be WARM UP (set up) days for the sale. Please mark all

days on your calendars during which you can be at the Club to help with this, our premier fundraising event of the year. I especially encourage new members to GET IN THE GAME. You will come away not only with satisfaction of a job well done, but also you will get to know seasoned members and form friendships to enjoy in the upcoming Club year. If you know now dates you can help, or when you know, please text or email that information. We will need THE ENTIRE TEAM on hand the day(s) of the sale!

I hope as you have been doing your Spring-cleaning, you have been setting aside items to tempt the public. We hope all can keep these items at home until September; however, Natalie Hill and Meredith Murphy have volunteered to store items if you just cannot do that. Please contact them to coordinate. Feel free (and you are encouraged) to ask friends, relatives, and neighbors for gently used goods they can part with. As you are putting items aside, if it is clothing, please label the bag or box with the size to help volunteers quickly get items to the right place. If you have valuable items – antiques, collectibles, jewelry, for instance, or think you might, please keep them separate if possible and add information as to original cost, value, age, etc. to help us put a fair value on them. When you bring them to the Club, please advise me or a board member to set them aside, as we will keep these special items together at the sale.

Everyone interested in helping or learning more about the sale is invited to attend Ways and Means Committee meetings in July and August. I'm looking forward to YOUR input as we discuss how we will insure a successful sale. Dates of the meetings will be published in a Monday email as we get closer to the time.

Please call, text, or email with any questions, concerns, volunteer days, or (especially) good news.
