President's Column

Summer is close to its end and schools will be starting soon, thus we will be back in action at the end of this month with our annual Labor Day Rummage Sale. The proposed plans for the second Art Auction were changed until later in the fall. Back to the Rummage Sale-- The Committee has had its first meeting with Chairman Cindy Abeel, who discussed the plans for the theme "Kick Off," which is sports related and our ladies will be outfitted in their team colors and attire to match.

There are many ways that our members can participate in this major fund raiser: We need workers during the week before (8/29-9/2) and then all day on Saturday the 3rd. We are requesting all donations to be brought in Monday –Wednesday in order for them to be priced. That is one of the many important jobs to get done. Sorting out the donations, hanging clothing, and arranging the items on tables are all part of the activity the week before. Check Cindy's Ways and Means column in this issue and emails about how to help out.

The Hospitality and Programs chairmen, Jacqueline Stewart, Shannon McClain and Lindsay Pelosa have been going over the survey results for ideas for the calendar. If you did not send yours into the office, please do so. Everyone is given a chance to voice their opinions, so don't miss out.

The Membership Chairman, Chris Bush, is gearing up for the September 22nd Membership Tea, which gives members a chance to bring guests and prospective new members. This is also a time when each Committee has a table to display its role in the workings of the club. Lots of opportunities for all to contribute time and talents by returning and new members (did not want to say old members?!)

Our Corresponding Secretaries, Kathy Dunn and Sue Luongo, have made a special offer to provide a birthday cake for each first Thursday of the month to help celebrate your special day. So be sure to attend the month of your natal day. The July, August and September birthdays will be represented in October and the May and June at the first April meeting.

We will be officially beginning the 22-23 season on Thursday, October 6th at 2 pm. It will be a Popcorn Social with a Circus theme, so please put that on your calendar and we look forward to another busy, informative and entertaining year at the historic Woman's Club of Winter Park.

Announcements & Updates

Charitable Giving

Thank you to our club members for your generous donations of backpacks and school supplies for the Back to School drive held during June and July. Donations for this first charitable giving opportunity of the 2022-2023 club year totaled \$1,332. Our donations will serve the approximate 200 children and others with school supply needs at The Meadows, a Winter Park Housing Authority complex.

Looking ahead – In October, we will continue the tradition of filling Christmas stockings for the Salvation Army. The stockings will be available at the September 22 Membership Tea and at our October meetings. In November, we will have another holiday-related charitable giving opportunity with the collection of Christmas gifts for families at The Meadows. More details will be provided in our September and October Highlights. These are just two more of many opportunities that club members will have this year to support the worthy charitable causes sponsored by the WCWP.

We plan to have our first Charitable Giving Committee meeting sometime in September. More details will be provided in the September Highlights and the Monday emails in September. We welcome both current and new committee members. Please email us at lucymcd3@aol.com and parhamkathryn@gmail.com if you are interested in being a member of this committee that supports an important mission of the WCWP.

“Behind-the-Scenes” Highlights

Put on your white gloves and you are invited to come on over!

Thank you, Gene!

Summer at the Club is not a vacation for everyone. So very hard to believe it has been 7 years since our fabulous 2015 Centennial restoration and now our beautiful venue is ready for a bit of TLC....

...enter Gene! Our newest family member is taking the bull-by-the-horns (lovingly) and performing his magic with cleaning, pressure washing, painting, and repairing inside and out. Leaving no stone unturned!

*Please note, Gene is looking to relocate closer to Winter Park or Maitland ASAP, before renewing a lease August 8th. If necessary, this could be a very temporary move, giving him more time to look, or if any of you know of someone looking for a roommate, a house sitter, or has a garage apartment, etc., please contact Julie at the club office or me at kkrodda@cfl.rr.com for details. He would also be very interested in offering his handyman and landscaping skills to help with a rental rate.

September will be here before we know it. Hopefully, Chip will be back on his feet “literally” to help us welcome you all back for a “Can’t Miss” new season!

Stay well and safe until then!

**Karen Rodda,
House Chair**

Membership renewals were due June 30th. Thank you to those who have already paid your dues. If you haven't paid your dues, you may do so either on the website or send in a check. If you could kindly let us know if you will not be returning, that would be appreciated as well. Thank you!
