President's Column

Happy New Year all you wonderful Woman's Club members! Well, we made it through the holidays and were greeted with some appropriate chilly weather. About this time, we are taking down the tree, packing up the decorations and putting away the Christmas card list for another time. We also have very good memories for the past month as we celebrated the holidays with the annual **Holiday Luncheon** in all its glory. Then the **Scholarship Reception**, which was well attended with students and their guests, the following week.

Looking forward, we have three Thursdays in January with excellent programs and the **Founder's Day** event on the 19th. In the past we have had a evening dinner, but due to catering prices, etc., the committee has decided to have a Formal Tea beginning at 11:30 am with the social hour, the Tea with refreshments and a program to feature the early club days. More details will be passed on by the program committee for the event in our Monday emails. Stay tuned.....

Taking a glimpse of the year ahead, I thought of a cross-stick to show the main events of each month. It was most convenient that there were 12 letters vertically too.....

As we return to our weekly get-togethers, I encourage you to each find a way to get involved with our club. We always need greeters, pourers, set-up helpers, and there are many charities that need your donations. While we don't meet in the summer months, there is the BIG fundraiser –The Rummage Sale over Labor Day weekend. So spend some time in the summer downsizing things you don't use or need. Then bring them in during the week before. More on that at a later time.

One other item—we are looking for members who might be interested in being on the board. Please contact me if you are interested. We meet every first Wednesday of the month.

Have a great year!!!

Scholarship

The scholarship reception was a huge success! It is always so nice to meet the recipients and their families. They are always so grateful to the Woman's Club. We would also like to thank our newest member, Laura Fowler. Laura received our scholarship in 1976. She has made a very generous donation to the scholarship fund. Laura lives in Texas and is President of Fowler Law. Our scholarship made a big impact on her life and Laura wanted to help make a difference to our scholarship applicants. We also want to thank the members of the scholarship committee for all their hard work and time that they give to this committee.

Charitable Giving

Adopt-A-Family – Holiday Gift Program

Thank you to all who donated gifts or made a monetary donation for gifts for the four families (with a total of 10 children) at The Meadows, a Winter Park Housing Authority facility. Your generous donations helped to make Christmas extra special for these families. Additional thanks to the committee members who shopped for gifts and/or coordinated the receipt of gifts at our weekly meetings in November and December – Judy Allen, Cindy Barfield, Janet Barry, Jan Bowman, Marilyn Cromer, Elizabeth Fullington, Annette Kelly, Anne Lulow, and Pam Naplachowski. And, a special thanks to Natalie Hill who stored some of the larger gifts in her garage and also helped with the delivery of the gifts to The Meadows.

Charitable Giving Committee Meeting

The next meeting of the Charitable Giving committee will be held on Monday, January 9, 2023 at 1 pm in the board room. We will be discussing charitable giving projects for the second half of the club year. There will be no projects for the month of January.

MEET: Denise Autorino

An avid art collector for over 20 years with a long career in Publishing and a true entrepreneur. "The gallery was a 10 year dream in the making with our first gallery opening at the Park Plaza Hotel in 2020 featuring Iconic Winter Park paintings and signing a dozen local artists to launch with." The new location offers over 1,300 square feet for larger paintings, sculptures, artist talks, events and more. By attending art fairs around the world -including the Venice Biennale in 2022, Art Basel Miami every year and museum shows regularly from Aspen Art Museum to all over Florida- Denise has an eye for unique talent -including emerging artists- and a huge respect for museum level artists such as Barbara Sorensen and Victor Bokas.

The curated selections of art and artists are carefully selected and professionally installed with new art arriving on a regular basis.

Denise also founded and publishes an award winning luxury guide called PASSPORT WINTER PARK, now in its eighth year.

We are excited to announce our second Art Auction on February 28th, 2023.
Some works donated by a formerly local artist will be featured and we
