## President's Column

Happy September to each and every one of you! It is time for us to start gathering, and we are going to be off to a roaring start.

As you will read below, we have two New Member events coming up. One in the daytime and one in the evening, depending on which works for your schedule. Or please come to both, and don't forget to bring a friend!

It is thanks to the hard work of your dedicated Committee Chairs that we have a plethora of fantastic programs and events coming up for you. I am so excited and appreciative to be working alongside such talented ladies.

Of note, we have a fantastic new event – a Pumpkin Fest / Artisan's Showcase on Saturday, October 28<sup>th</sup>. This special Saturday will be a time for families and all community friends to gather on our grounds for some old fashioned Pumpkin Fun, to play cornhole, listen to some music, shop with local artisans and enjoy time spent with family and friends. A true celebration of fall and our beautiful clubhouse building and grounds.

As a long standing member or a new one, we begin our new Woman's Club of Winter Park season together; working together to further our missions of community service, historic preservation and scholarship - mixed with fun, joy, fellowship and good cheer. Thank you for being a part of our history, now and into our future. See you soon!

*Katie Campbell, President*

## Announcements & Updates

### Charitable Giving

The Woman's Club Rummage Sale on September 1<sup>st</sup> and 2<sup>nd</sup> is the major source of the Club's donations to local non-profits in the spring. Club members can support the Rummage Sale by volunteering, shopping, and getting the word out to family and friends!

Please visit the Charitable Giving table at the September 19<sup>th</sup> (5:30 pm) and/or the 21<sup>st</sup> (2 pm) Membership Teas to learn more about the activities of our committee. We welcome both current and new Club members. Please email us at [lucymcd3@aol.com](mailto:lucymcd3@aol.com) and [parhamkathryn@gmail.com](mailto:parhamkathryn@gmail.com) if you are interested in being a member of this committee that supports an important mission of the WCWP. The Salvation Army Christmas stockings will also be available for pick-up at the two Membership Teas.

### Ways and Means

This year, September Highlights coincides with the first day of our annual Rummage Sale!! Much hard work, dedication and preparation have gone into our fundraiser, and as of this writing, 50 members have helped or will help make it a success. We can still use YOUR help physically, if you want to stop in, and with continuing to tell others about our amazing sale. We'll do a recap in October. In the meantime, I look forward to seeing you at one of the Membership Teas.

## Corresponding Secretaries

As your Member Outreach Programs Co-Chairs, we are always thinking and planning ways to benefit our members.

The program is designed to reach out to our members who are ill, hospitalized or housebound, and anyone who needs a friendly call or visit.

If you remember when COVID darkened our doors and held us prisoners in our homes, we delivered tea and cookies to the doors of those who needed extra comfort.

And Christmas we delivered flowers to those members who would be celebrating the holidays alone.

May 2021, we did a mass mailing of beautiful Mother's Day cards to all of our members designed around our beautiful gardens.

This year, we are hoping to provide transportation to our Thursday Teas to members who no longer drive and unable to attend. We truly don't want anyone to miss the joy of being in the company of their friends and also our splendid sandwiches and sweets.

Please call Sue Luongo if you do need transportation and those that can provide transportation. Sharing a ride with someone may bring new friendships and a happy heart.

Last, but not least, the birthday cakes are here to stay. We are so pleased to hear the birthday celebrations with cake are a huge success. So if you want your cake and eat it too, please mark your calendar and come and celebrate with everyone the first Thursday of every month.

Thank you!

For the past year or more - winter, spring, summer & fall, it has been my pleasure to send out the thank you, get well, and special occasions cards, as well as all birthday cards.

As corresponding secretary, please notify me if any member is in need of a cheerful, get well, or sympathy card.

Respectively submitted,

**Kathy Dunn**

### HISTORY BOOK CLUB

Please join the Woman’s Club of Winter Park History Book Group on Wednesday, October 11 at 10:00 am to discuss the historical fiction book “Among the Beautiful Beasts” by Lori McMullen. This fascinating book tells “the untold story of the early life of Marjory Stoneman Douglas, known in her later years as a tireless activist for the Florida Everglades.” We will also use the book “Saving Florida: Women’s Fight for the Environment in the Twentieth Century” written by Rollins College professor Dr. Leslie Kemp Poole as a companion piece for our discussion.

The Woman’s Club of Winter Park has always been involved in protecting the environment, especially in our early years, and Dr. Poole explores the connection of women’s organizations in the environmental movement in Florida and references our club. A few years ago, I was honored to welcome one of Dr. Poole’s Rollins classes to our club to explore the club’s history, discuss our commitment to civic engagement, and show them our wonderful archives.

## Artisan Showcase

Just a quick reminder. The Artisan Showcase is scheduled for Saturday, October 28, 2023. Presently, we have sixteen vendors and room for more. So, if you know anyone or have friends that you could invite to be a vendor please do so. This will be an exciting showcase this year for our club. Thank you for your ongoing interest and many great ideas.
